About SAFS

SAFS is an award winning organisation, working with children and adults with disabilities within their home environments and communities.

We work across Sandwell to ensure we achieve our vision of 'a world where children, young people and adults with disabilities can reach their full potential with love and care, free from any kind of discrimination and deprivation'

The Role

SAFS are now recruiting Personal Assistants (PA) to support disabled children and young people, from 0 to 18 years of age, to access a range of out of home activities in a variety of locations across Sandwell.

As part of this exciting role you will be responsible for planning and carrying out activities in line with the service users and their family's needs to ensure a range of outcomes from socialisation, confidence building and independence; to life skills and volunteering opportunities. You will work according to the needs of the service user and this may include daytimes, evenings and/or weekends.

We ask that you have a minimum of a NVQ Level 2 in Care or are willing to commit to training and are experienced in working with people with disabilities.

Access to a car and a full, clean driving license is desirable.

At SAFS we take the safeguarding of children and adults seriously and all staff will be subject to an enhanced CRB clearance, checks and references.
